(FOR IMMEDIATE RELEASE) Hampshire House Assisted Living facility and *The Otsego County Chamber* announce a Business After Hours on Wednesday, March 17, 2010 from 4:30 to 6:00 pm at 1846 County Highway 48 in Oneonta.

Hampshire House is an assisted living community that recently changed ownership. The focus of Hampshire House is to offer a well needed, extended vacation to its residents. The newly redone facility features common areas for residents to interact in, a swimming pool with water aerobics classes, computer labs with individual instruction, and arts and crafts rooms among other things.

When speaking with Pat Breuer, Executive Director of Hampshire House, for the past two years says she is happy with the progress and lifestyle offered at Hampshire House. She stated, "Our prime goal is to give quality care and to serve seniors. We regularly host Wii tournaments, take residents bowling, host cocktail hours and take them out dining and shopping at their favorite locations. We want them to Live Life Fully and that is what we're here for."

This Business After Hours is a great opportunity for people from the community to visit Hampshire House, see the facilities and learn about the programs they offer. Pat Breuer referred to the event as an "Open House", a chance to take a tour of the renovated facilities and enjoy an informal relaxing evening featuring Irish music and Hors d'oeuvres and cocktails with an Irish tint.
